**INSTRUCTIONS**

Scoring System & Rules: **6 points for a correct answer before superpower break**, **5 points from there to power break**, 4 points from there to the end of the question, 3 points for a correct answer after the question is finished. An incorrect response results in negative 2 points if it occurs before the end of the question, and negative 1 point if it occurs after the question has been read to completion. 3 incorrect answers kills the question. Students can only buzz once per question. Students need **forty (40)** points to win or automatically take the next highest final position. [30/PO]
